# Teams & Teamwork, Together at last...

From online meetings, to whiteboarding, to file sharing with the whole team, work progresses with Webex. It's how millions do their best teamwork.

This event will introduce you to the **New 2019 Webex Teams from Cisco** and show how you can work smarter, collaborate more effectively and save time and money.

The content will be delivered by Cisco and Nowcomm collaboration specialists and feature informative breakout sessions, full product demonstrations, an ask the panel Q&A and a lunch where you can network further with the event attendees and chat to the event presenters.

**Collaboration is easy with Cisco Webex Teams.**
